## LAWRENCE EMPLOYEE OF THE MONTH

### XIARA DELEON

- I'm 21 years old and I have been working at the Y for six years
- I started my Y career as a camper at Camp Otter and went through the Leadership program
- The Y has instilled values in me that made me who I am today , and I hope to project those unto the youth at the Y as well
- Teaching dance is my passion, as well as learning new things from my students
- I partake in assisting YBL, am involved in our school enrichment programs, and help out wherever I am needed
- Moving forward I plan to take on every opportunity that will benefit my Y character. The YMCA and its community
